BRANDING LABORATORY

We carefully develop your brand from the ground up, making sure that the look and feel of your company speaks to the quality you want to convey, and creates a positive impression by using unique shapes and colors that evoke positive emotions. We use color theory to create distinctive logos people can appreciate down to the last detail.

" Fresh and scrumptious nuts and wild berries, home grown veggies and hand picked cherries, we all keep these memories in our hearts and cherish those well spent days at home with folks, under strawberry picking weathers and crispy sunny skies. "Lapa" is those well spent days with candid and clean dining style.

E A T E R Y

Specifically developed symmetrical and identical font face will boost the uniqueness of the brand in style; soothing to the eyes and carving brand in viewer's mind. The brand can be used only as a font logo or with the brand icon.

The logo is a combination of symbols of Love, Leaf and the name " Lapa itself". Love from home, leaf from nature and the Lapa comes next.

Through out the way they are expressing the beauty of simplicity, cleanliness and home warmth. Brown and white shades of colours to give the homely feeling enriched with safety and strength.
